

## ***Find it hard to get to know us Swedes?***

Been in Sweden a while now, but still know just a few Swedes? Then join CityPolarna.se!

CityPolarna is a social activity fora, where anyone can initiate an activity, for people to join during their spare time. If you fancy a round of pools, a game of floor ball, or just want to hang around with Swedish friends and shape up your Swedish, this is the place for you.

The website is in Swedish, however, just get someone to help you register, say hello on the website, and you will for sure find people to help you get started with the activities.

So don't hesitate – join us and you will have loads of new Swedish friends in a jiffy!

***Life happens in real life – log out and join in!***
